5<sup>th</sup> March 2021

Dear parents and pupils

As P1-3 pupils return to school on Monday, it gives us some hope that things are going in the right direction and we will all soon be back in school together.

Over the next few weeks we will continue to support P4-7 pupils through work assigned and submitted through Google Classroom, learning packs and live lessons.

We hope pupils are enjoying their Jumping Clay modelling and we are loving seeing all their work being sent through. I would encourage pupils to continue practising their music through the teaching videos that Master McCabe has recorded for us and it would be great if they could send through some photos and videos of this also.

We will continue to offer Supervised Learning for vulnerable children and children of key workers who have no other child care options available to them. Please email [emurray339@c2kni.net](mailto:emurray339@c2kni.net) if you have any queries in relation to this or anything else.

I have issued a parent survey on the school website in relation to remote learning and I would be extremely grateful if you could complete this over the next few days. The password to access the survey is school123abc.

Please remember that we have offered to loan devices to any families that may need them to access online learning. We totally appreciate the pressure on families and our young people and are here to help if you need us.

Best wishes  
Mrs Murray
